

# COMMUNITY HEALTH CENTER

Visiting Nurse Association of Central Jersey

\*\*\* You will be required to upload a form of identification and insurance card\*\*\*  
If you do not have insurance, you are still eligible. Continue the questionnaire.

\*\*\*You must be a resident of NJ, be employed, **attend school**, or teach in the state of NJ to be eligible\*\*\*

If you meet the following criteria, you are eligible to schedule an appointment for your vaccine. If you do not meet the criteria, please check back periodically for updates.

## Must be over the age of 18 years old

**NOTE: Pfizer vaccine currently is the only one approved for those 16 years or older. The VNACJ CHC is giving Moderna and Johnson and Johnson vaccines which are only approved for those 18 and over.**

## Who is eligible for vaccination at this time?

Currently, vaccines are available to the following groups (more details, including exactly who qualifies in these categories can be found below):

- Individuals age 55+
- Individuals age 18-54 with certain medical conditions
- Individuals age 18-54 with intellectual and developmental disabilities
- Childcare workers in licensed and registered settings
- Clergy
- Communications, IT, and media workers
- Educators and staff, including pre-K to 12 and higher education
- Eldercare and support workers
- Elections personnel
- First responders
- Healthcare workers
- Hospitality workers
- Individuals experiencing homelessness and those living in shelters
- Judicial system workers
- Laundry services workers
- Librarians and library support staff
- Long-term care and high-risk congregate care facility residents and staff
- Medical supply chain employees
